## **PLEASE FILL ONE PAPER OUT PER FAMILY**

Students at Ansonia Elementary must eat at least half of their lunch before they can purchase a snack. The snacks vary from cookies, fruit roll ups, chips, to ice cream. The cost varies \$.25 - \$2.00. This amount can be taken off your child's lunch account (if there is money in their lunch account) or they can pay with cash (day of purchasing). Please complete the form below and return it to the school so we know your wishes for your children. The Free and Reduced lunch program does NOT cover snack items. If you have more than one elementary child, please list all on one form.

The students are also offered drinks at lunch time. The drinks vary from water, flavored water, Gatorade, fruit juices and milk chugs. Please complete BOTH sections at the bottom, because your permission for drinks is different than your permission for snacks.
