November 2021

Dear Ansonia Families,

November is always a time of giving thanks. 2021 has been a tough year to find things to be thankful for, however, this school year has started off great and I have the staff, students, and parents to thank for that!

Please take a look at our important dates for November **as there have been some changes from what was printed on the school calendar.** The 4th-6th grade spelling bee will be on Friday, November 19 at 1:30 PM.

I continue to be reminded of how blessed I am to be working in such a great school district with great leadership, a great staff, great students, and great families. I am very thankful for the opportunity to be the principal in such a great district. If you have any questions or concerns throughout the year, you may contact me at 937-337-5141 or Ashlee.Fourman@ansoniaschools.org.

Ashlee Fourman, Elementary Principal
